

TÜRKİYE HALK BANKASI A.Ş.
POLICY ON DONATIONS AND AIDS

Donations and aids can be offered for projects, campaigns, and activities launched by both public entities and civil society organizations and individuals, and in the fields of education, healthcare, and etc. up to the limits set in the “Regulation on the Donations and Aids to be Made by Banks and Institutions subject to Consolidated Supervision” published by the Banking Regulation and Audit Authority, and pursuant to the social responsibility policies of the Bank.

Information on donations and aids are submitted to the General Assembly where financial statements of the relevant year are to be discussed.
